OUR UNSUNG HERO

So often, those who do the most for us and mean the most to us go unrecognized. Jymm Turner is one of those people who works long and hard with little or no praise. For three years now, Mr. Turner has been doing such things as mowing the grass, fixing the parking lot, cleaning the halls, setting up chairs for chapel services and student programs, and lining the athletic field for games. In addition, Mr. Turner has a deeply religious and intellectual side to his personality. The Shield staff would like to take this opportunity to dedicate the 1978 yearbook to Jymm Turner, Trinity's unsung hero.

STUDENT LIFE

Student life at Trinity is as varied as each individual. With all the different activities at Trinity, every student can find his or her own area of special interest. In this way, they can make their own contribution to benefit themselves and the school.

SPRING SPECIAL EVENTS

Spring is always a particularly busy time at Trinity, and this year was no exception. Some of the fun events of the spring included class day won by the seniors, the junior/senior prom with a theme of harbor lights, the Spring Fling, Religious Emphasis Day, and an exchange program with nine students from Evesham, England. Many students were honored at the Senior Awards Assembly, and others were honored by being inducted into the National Honor Society, the Quill and Scroll Society, and/or the International Thespians Society. Both the NHS and the SGA held elections during the spring. The performing arts at Trinity also made their contribution; the chorus gave a spring concert, and the drama department performed Thornton Wilder's OUR TOWN. Trinity even got a new look with an improved sidewalk, new steps, and a brick patio with benches.

The Titans opened their football season with a bang, defeating Christchurch 7-0. Although they lost seven games and won two, their future appears to be promising with many younger students participating in the sport. Jimmy Gift, who is only a freshman, did a great job in rushing and passing. Four seniors, Kirby Fitzwater, Jimmy Livesay, Cabell Singleton, and Robert Covington, made a solid defensive team. Steve Calder, a senior, and Steve Burks, a junior, were both exceptional halfbacks. The Trinity football team seems to be on the up-beat now, and next season should be even more successful.

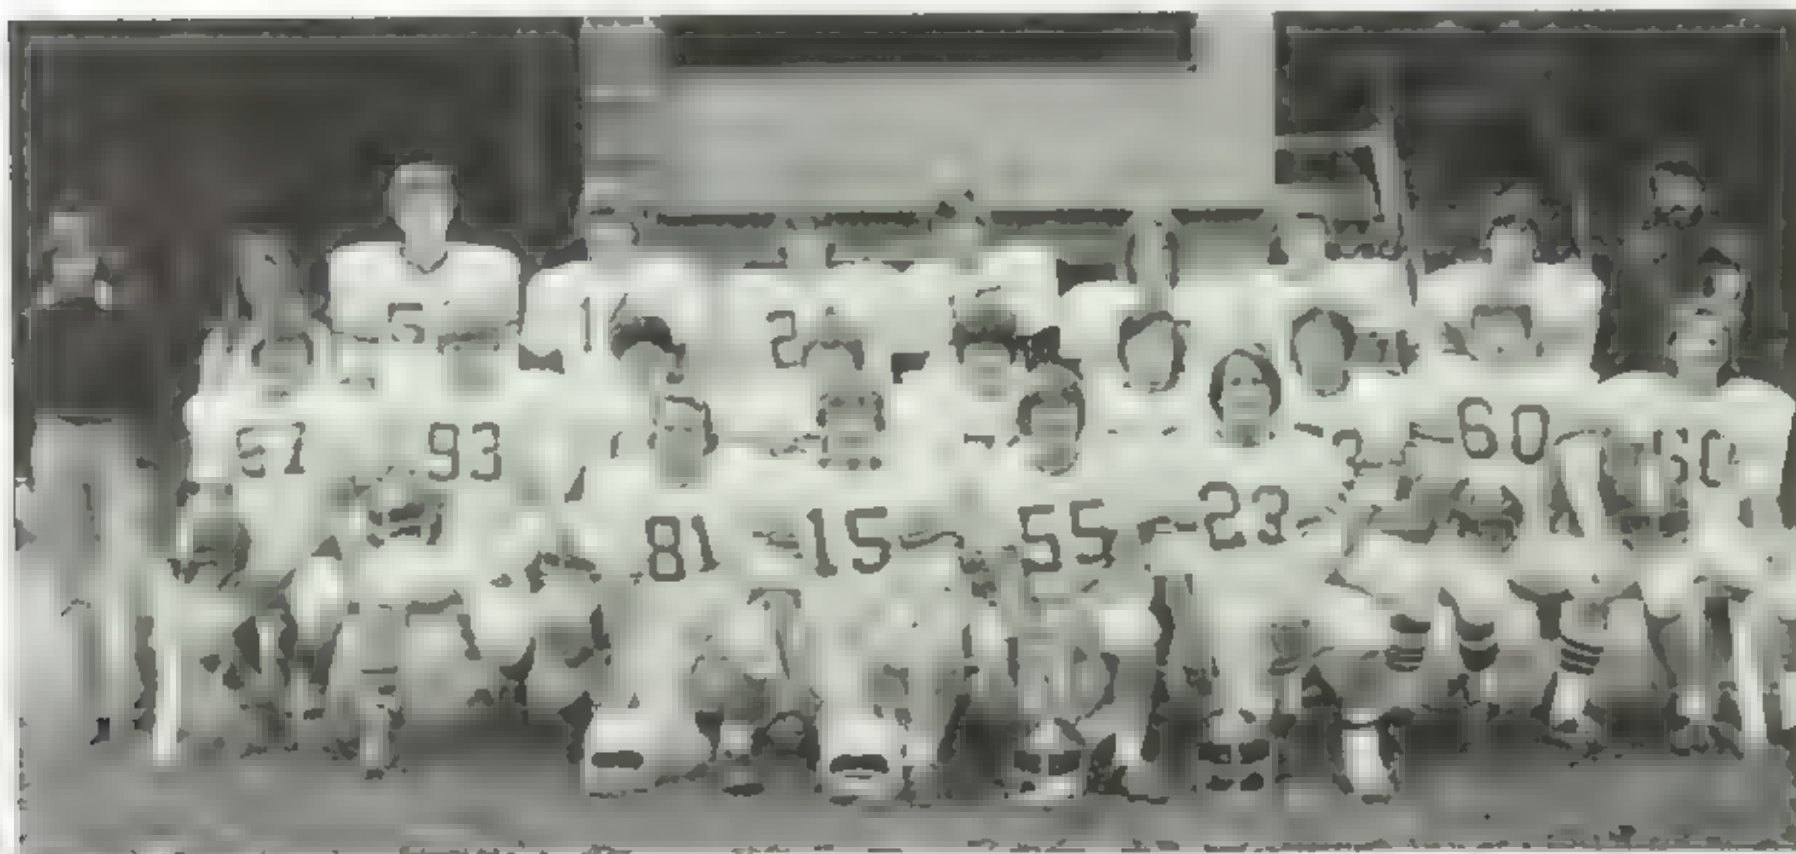

J.V. FOOTBALL

It seems as if the football program at the Junior Varsity level has finally taken a turn for the better. Prior to this season, the "Baby Titans" were winless and scoreless. However, this is no longer the case. The team was able to pull out two victories, and came so close to winning two others, that the effort and work of the young players really paid off.

CROSS COUNTRY

The Trinity cross country team compiled an overall 5-6 record. The Titans were led by John Cullison and Hal Cole. These two consistently placed high in all of the dual meets. Cullison finished first in ten out of eleven meets, finishing second only to St. Christopher's. He is only a sophomore, but he is destined to become one of the area's outstanding runners. Jimmy Taylor was the number three man and he did a fine job. Tony Woodall, Bob Holleman, and Scott Hendrickson ran very well at times. Scott Frayser was the recipient of the Coaches' Award. The team may be young, but the future looks bright with the return of the injured Steve Byrd.

We've practiced hard and long
And now we're very strong.
We can win this game, you bet;
But to win, you've got to sweat.
So don't give up and run,
'Cause winning is such fun.
Today we want to win,
So put that drat ball in!

This Hockey group has made excellent progress in the third of its existence. Many of the players were new to the teams and added enthusiasm and skill. Realizing that the personnel of a Junior Varsity team seldom is constant from one year to the next, the results were excellent. The first team had a winning season, losing only to perennially tough St. Catherine's. From the second team should come the nucleus for 1978's teams.

First Row: L. Kauffman, S. Putnam, T. Hranowsky, L. Shands, K. Fraher, L. Hranowsky, J. Appich, B. McGeorge, B. Eubank, T. Cantrell; Second Row: Miss Shema (coach), M. Abernathy, D. Gray, S. The Varsity Soccer team enjoyed its most successful season to date, posting a 22-2 record and capturing its first Virginia Soccer League Regular Season Championship. The team broke many VSL and school records as they scored 132 goals while giving up only 17, and posted 12 shutouts. Walker and co-captain McCathern were named to the first team, All-VSL and the first team All-State. McCathern was also named "player-of-the-year" in the VSL. Welch, Avery, Bell, and Dickinson were named to the second team, All-VSL. Other highlights included Walker's league and state leading 32 goals, McCathern's 28 goals, Avery's 12 shutouts, and the many consistent performances by both the offense and defense.

J.V. AND JUNIOR SOCCER

The J.V. soccer team was very small in size, but big in heart and dedication. Most of their opponents were taller and therefore gave them rough competition. The winning season came from the team showing better skills and ball control. The Varsity team will have a lot to look forward to as some of these players will move on to help them in big ways next year.

The Junior soccer team did not do as well this year as last. One reason for this was lack of experience. The team made up in this by desire to play and do well as a team. We managed to improve as the season progressed and won our last game over Collegiate, who had previously defeated us. Players to look for in the future are: Kessler, our top scorer; Walters and Adams, our defense; and Matthews, our center-half.

GIRL'S SOCCER

First Row · McGeorge, Abernathy, Gee, Gorman, McCathern, Kessler, Abernathy, Heizer, Holder, Eubank, Matthews. Second Row · Ms. Caruso (coach), Hamaker, Dodson, West, Lubman, Cardwell, Dowdy, Ott, Ward, Anderson, Anderson, Blanton, Rennie, Pendleton, White.

Despite Marymount's boys, opposition to the Girls' Soccer team this year was not as fierce as in previous years. The record (2-6, defeating St. Margaret's and St. Anne's-Belfield) does not show the improvement of this young team. Most games were lost by only one goal. This third year team promises to be hot next year with only three seniors leaving. Coach Caruso, back for her second year, showed more confidence and hopes for another enthusiastic season.

VARSITY BASKETBALL

The Trinity basketball team compiled its finest record in the short history of the school. Led by seniors Chick Hendrickson, Tripp Sheppard, and Steve Calder, the Titans posted a 25-6 record. Underclassmen Stewart Wallace and Randy Wickham rounded a fine starting team. Hendrickson and Wallace averaged 15.6 and 15.4 points respectively. Hendrickson finished with a career total 1106 points. He also is the all-time leading rebounder.

Trinity won its own tournament as well as became Commonwealth Conference champions for the third year. Hendrickson, Sheppard, and Calder were selected to the All-Conference team.

The future is bright with most of the team returning. Trinity is very fortunate to have had Lampert and the other seniors in its program, and we would like to say "thank you" to them.

"We work hard. We play hard." Team members enjoy shooting baskets along with giving their managers and scorekeepers a shower.

J.V. AND EIGHTH GRADE BASKETBALL

Front Row: D. Williams, K. Hoke (manager), J. Ghaphery, B. Hayes, K. Fairly, J. Gift, J. Dodrill. Second Row: L. Irby, C. Knight, D. Kraehenbuehl, S. Hendrickson, C. McCue, R. Tanner, P. Johnson, M. Pasierb, J. Brown, B. Speight. Not Pictured: S. Strauss, J. Hayes.

The 1978 Junior Varsity Basketball Squad started with a young inexperienced group, and by the end of the season they had molded into a competitive team. Through the insight of Bobby Speight, Chris Knight, Mark Pashierb, and Jeff Brown, the J.V. Titans battled taller and older foes with great determination. Outside punch was supplied by Jamie Hayes, Pete Johnson, Jim Gift, Cy McCue, and Scott Hendrickson. The outlook for Trinity basketball looks bright as seen by the continual improvement of the J.V. team.

The Trinity Boy's Eighth Grade Basketball Team enjoyed an extremely successful season. The team finished with a record of eight wins and one loss. Five players were high scorers for at least one game during the season. These players were Knight, Speight, Hayes, Hendrickson, and McCue. Leading rebounders were Knight and Speight. Most of the team dressed for the J.V. games and gained a great deal of experience. Much will be expected of this group of players as they continue their career here at Trinity in basketball.

Under the great coaching of Mrs. Willie Mullican, the Varsity Girls' Basketball team had a record of 10-2. Although they placed fourth in the Girl's Allied Tournament they had already defeated St. Catherine's, who had been undefeated for two years. Never losing a home game the girls proved that practice does make perfect. The outlook is bright for next year's team since even some ninth and eighth graders were on the team. Seniors Natalie Marchetti, Helen Hagan and Kathy Johnston will be greatly missed next year.

The Junior Varsity girls finished with a 6-5 season. The team greatly improved with each game. Under their coach Mary Snowden the girls learned new skills, techniques and plays. During the season they defeated Bollingbrook and Gill, however, they lost to St. Catherine's and Collegiate by only a few points. The team was entirely composed of eighth graders and freshmen with some help from a few varsity players.

CHEERLEADERS

Above: Varsity cheerleaders cheer on the basketball team at half time; Left: J.V. Cheerleaders add pep to the football team; Below: J.V. Cheerleaders throw footballs to the Homecoming crowd.

The Junior Varsity Cheerleaders started the year with an explosion of energy as they cheered their first game only ten days after they were chosen. They continued their hectic pace throughout the year, designing new uniforms and new cheers. They also lent a hand at the homecoming game and Collegiate basketball pep rally. Spirit remained high as they let the world know of their support for the J-V teams.

Varsity Cheerleaders began the year by providing Iced tea to practicing football players, boosting spirit with posters, and raising funds with sale of spirit buttons and ribbons. Rousing pep rallies, such as the "Super Bond Fire," Homecoming, "Mothers-Surprise-the-Basketball-Players", and "Let's See If Mr. Nesbit Can Kick a Soccer Ball," enlivened the year. A second-place win in the Tobacco Festival Cheerleading Contest and the achievement of "Outstanding Cheering Team of the Commonwealth Conference" concluded a year of work and excellence.

THE THUNDERING HERD

LEFT: Coaches Arciniega, Whitley, Hewitt, and Wood take time out for a picture.

The Boys' Varsity Spring Track Team finished with a 2-3 season. From March through May runners, hurdlers, jumpers, and throwers were hard at work. Defeating Huguenot Academy and Walsingham, the boys proved that their coaches, Mr. Whitley, Mr. Towles, Mr. Wood, Mr. Arciniega, Mr. Hewitt, Mr. McCue, did, in fact, help the team. The teams which they were defeated by, St. Christopher's, Collegiate, and Clover Hill, were among the best in the area. John Cullison, Craig Dunbar, Steve Burks, Brian Holdaway, Jeff Welch, Bob Miller, Greg Layton, Dave May, and many others helped out the team tremendously. Everyone is looking forward to a great season next year because there will be many underclassmen returning.

This was the first year that Trinity had an official Varsity Winter Track Team. Several girls came out for the team even though they never had an official meet. The boys, however, were in three triangular meets. Even though they never won, the experience helped the boys for the coming spring season. Mr. Whitley, Mr. Wood, and Mr. Towles were the three main coaches while Mr. Arciniega and Mr. Hewitt, with help from the weightlifters, greatly boosted the team.

The Spring Girls' Track Team ended with a 3-2 season. Many new faces appeared on the team once the season finally got started. The girls lost to St. Catherine's and Collegiate, but defeated Powhatan, Huguenot Academy, and Clover Hill easily. Outstanding members of the team included: Cindy Shelton, Katie Blanton, Laura Shands, Jackie Park, Susan Board, and Dorothy Vaughan.

BOYS' TENNIS

The boy's tennis team had an outstanding year. Led by MVP Scott Hendrickson, Stuart Wallace, Jim Ghaphery, Randy Wickham and Anders Troedsson, the Titans enjoyed their most competitive season ever. With the constant efforts of the senior co-captains Steve Calder and Michael Shocket, the team was able to finish the season with a strong 11-5 record against a most demanding schedule. The Trinity boy's tennis team has posted an impressive 24-7 record in the last two seasons. Congratulations Coach Owen and the squad for their achievements.

Plagued by mistakes, the Trinity Titans compiled a 6-12 overall record. Bright sports for the Titans included Junior Mark Sneed with a school record of five home runs, Chic Hendrickson with four home runs, Tripp Sheppard with three home runs and a batting average of .330, and Ralph Lampert with two home runs. Despite the losing record, the team had a lot of fun.

J.V. BASEBALL AND GOLF

The Trinity Junior Varsity baseball team had a very dismal season. A lack of real experience and a youthful team contributed to a losing season. Despite the scores, the team showed continued improvement all season long.

The 1978 Trinity golf team had an interesting season. Several of the members were key participants in other team sports for the school. Thus, with the complex spring schedule, it was difficult to get all the golfers together for every meet. Tripp Sheppard, Pete Johnson, and Anders Troedsson were consistent winners. The team's only female player, Martha Sheppard, performed exceptionally well. Tom Prest and Richard Dickinson, senior players, along with beginners Cy McCue and Sutton Knight, were regulars who contributed to the Titan golf outings.

Although the softball team won only two games, they showed a great deal of improvement during the season. They are a young team and, with only three seniors leaving, are looking forward to a bright season next year.

GIRLS' LACROSSE

The girls' lacrosse team witnessed a very wet spring season and experienced the frustration of having over half of the scheduled games rained out. The highlight of the season came with an 8-5 victory over Marymount. Other well-played matches were against Norfolk Academy and St. Anne's in Charlottesville.

GRADUATION

The seniors' final week of high school began with a baccalaureate service on Sunday, June 4, at St. Michael's Episcopal Church. The Rt. Rev. Yona Okoth from Uganda gave the baccalaureate address which was followed by a beautiful reception at Windsor. The seniors then left for Va. Beach to do some sunning and to celebrate their upcoming graduation. Graduation was held on Friday, June 9. Eighty-six graduating seniors listened to President Graves of the College of William and Mary give advice on college life. Other speakers included valedictorian Pam Pence and salutatorian Mary Baird. William Brock, Jr. became the first recipient of the "Distinguished Educator Award." Junior honor ushers as well as junior and sophomore class officers helped at baccalaureate, the reception, and graduation.

TO THE GRADUATES OF 1978

A treasure chest more pure than gold are memories that we share
But the time has come when I will turn and you will not be there,
Your bugle blows on distant winds of new dreams, hopes and sorrows
And you must follow with your heart to conquer those tomorrows,
The road is full of sharp-edged rocks and edged with cool green grass
And many doors are open now to enter or to pass
But memories of yesterday will be there for the times
You think of your first stepping stones and things you've left behind,
The road is yours to mold and shape to build your destination
But you will need to use clear thought and careful contemplation
So as you leave the friends you have and places that you know
Your memories will stay with you to help you as you grow.

D. R.

Good luck and much happiness in the future!

campus, so the concluding page features

campus.
